Dear Student,

Welcome to Jönköping International Business School (JIBS) at Jönköping University! As the Dean of JIBS, I am thrilled to extend a warm welcome to each of you as you embark on this exciting journey of education and growth.

At JIBS, we pride ourselves on a distinct focus that sets us apart: our commitment to entrepreneurship, ownership, and renewal. Our educational approach is designed not just to impart knowledge but to inspire innovation and cultivate the entrepreneurial spirit that is vital in today's global business environment.

We are honored to be recognized and accredited by both EQUIS and AACSB, reflecting our commitment to excellence in business education. We are proud to be among the top 95 business schools in Europe, and the Financial Times ranking of our Masters in Management in the top 100 globally is a testament to the quality and impact of our programs.

As you begin this new chapter, I understand that you may be navigating excitement and practical concerns—from getting your key card to figuring out local transportation, navigating campus, or wrestling with your schedule. Rest assured, our community is here to support you. You will get a lot of valuable information from our faculty and staff. But remember, your fellow students are often the best source of information. They are not just peers but potential lifelong friends who will enrich your learning experience far beyond the classroom walls. If I could make one wish, it would be for you to make at least one new friend while you stay with us at JIBS.

Our world-class faculty are eager to meet you, share their expertise, and explore the challenges and opportunities of the business world with you. At JIBS, you are not just a student but a valued member of our vibrant community, entrusted with carrying forward the legacy of innovation and leadership. We are genuinely grateful that you have chosen JIBS for your academic journey. It is a responsibility we do not take lightly, and we are committed to supporting you in achieving your dreams and aspirations.

Once again, welcome to Jönköping International Business School. Here's to a successful, transformative, and fun experience!
