

Application for change of programme within JIBS

Information

Please note that change between programmes is restricted during your first semester.

To be considered for a change of programme you should fulfil the following three criteria:

- there must be a vacancy in the programme you want to change to
- you have to fulfil the programme requirements
- your grades have to be equal to what is normally required to be admitted into the programme

Name	Personal id number
Address	Phone number
Post code	Mobile phone number

I am currently accepted for (programme)	Start of studies (semester)
---	-----------------------------

I am applying for a change to (programme)	Change starts from (semester)
---	-------------------------------

I am aware of that if my request to change programme is accepted, JIBS will make a study interruption of the programme in which I am currently enrolled.

Date	Signature
